

Making Cuyahoga County Stronger

With Healthy Communities

Total Cuyahoga County Population (2010): 1,293,825

Total State Population: 11,536,182

*Cuyahoga County's economy is stronger when everyone can participate in the economy. Healthy children become productive citizens, healthy citizens build strong communities, and healthy workers strengthen Ohio's economy. If Ohio extends health coverage in the state budget, **46,117 Cuyahoga County uninsured 19-64 year olds are projected to gain health coverage by 2015.***

This will ensure Cuyahoga County has a healthier and more competitive workforce and Ohio's economy will be stronger.
